Practice Overview

Jade commenced pupillage in October 2025 covering a wide range of family law cases.

Jade began her legal career as a paralegal assisting a solicitor in private children and financial remedy cases. Following this, she completed the Bar Practice Course achieving a High Distinction grade. Alongside her studies, she volunteered with the Pro Bono clinic at her university and advised Litigants in Person who were going through Private Children proceedings.

Prior to commencing pupillage, Jade worked as a paralegal specialising in public law children cases. Jade managed her own cases under the supervision of solicitors as well as assisting on more complex cases including those with allegations of serious neglect, NAI and sexual abuse.
